

Gild Hall Boutique Hotel, NYC

Smack dab in the middle of the financial district is Gild Hall, a modern and playful boutique hotel where hipsters and professionals alike can relax and unwind. Wall Street and the New York Stock Exchange are just steps away, as is the Federal Reserve Bank of New York.

If money's not your thing, consider this hotel for its proximity to the South Street Seaport, one of Manhattan's most eclectic and underrated attractions. Visitors to the seaport can catch a glimpse of some lovely authentic sailing ships, as well as visit a variety of shopping and dining destinations.

Soft, sensible and oh-so-stylish, our jersey knit pullovers offer incredible warmth and a comfortable fit. Flirty rolls at the cuffs and hem and 100% machine washable make this sweater a must-have for any fashionista on the go.

Bamboo Fabric

Derived from the pulp of the plant and spun into soft, strong fibers, bamboo is as comfortable as it is environmentally friendly. The breathable fabric is naturally wrinkle-resistant, has a lovely drape and a silky, cashmere feel. Our bamboo is organically grown and naturally wicks away moisture from the skin, keeping you cool and dry.
