

The Oviedo Slip On

Inspired by 70s chic, the Oviedo Slip On combines casual practicality and funky glamour into one very comfortable shoe. A cushioning midsole gives your arch lift and support, so every step is like walking on air. The mesh-covered sock liner allows your feet to breathe, even on the hottest days.

Available in a variety of eye-popping colors, these slip ons can be worn uptown or down, day or night.

Houghton Ridge Summer Camp

Set against a dramatic backdrop of emerald green mountains and crystal blue water, Houghton Ridge Summer Camp has been challenging kids to reach their full potential and become better people for 75 years.

Our team of dedicated counselors has been instrumental in helping us realize our mission of teaching children the value of honesty, integrity, and service to others.

We invite you to join us this summer in exploring the natural beauty of the world around us and delight in the personal journey your child will take.
